Dear Colleagues,

This is to inform you that we are going to organize the next rhinologic course in the year 2009 within the frames of traditional chain of rhinosurgical courses called CIRAS (Croatian International Rhinosurgical Autumn School) on September 23-25th (Wednesday till Friday) at ENT Dept. Univ. Hospital Rebro, Zagreb, Croatia.

This course will be dedicated to all aspects of septal surgery and rhinoplasty. The course will consist of theoretical part, live surgery and video demonstrations as well. Dissection on the animal model will be available on request. We shall also present several endoscopic septal operations during the Course.

Number of participants will be limited up to 50 persons (numerus clausus).

Official language will be English.

The Course will be valued by Croatian Medical Chamber as a 1st category course of CME.

Welcome to Zagreb! Welcome to the 13th CIRAS and our 88-year old Department!
